JULY 1986

M20A(86)-7
Issued September 1986

The statistics in this publication are based on a survey of flour mills and represent total U.S. production of flour milling products. Estimates are included for companies whose reports were not received in time for tabulation. A description of the survey methodology and related information may be found in the January 1986 report, M20A(86)-1, issued March 1986.

This report is available electronically in CENDATA, the Bureau's online information service, through a commercial vendor. The electronic version of this report will be available approximately one week earlier than the printed report. The CENDATA report for August 1986 will be released on or about October 2, 1986. For further information, contact Customer Services DUSD, Bureau of the Census, Washington, D.C. 20233, or call (301) 763-4100.
